WHEREAS, the city-wide curfew was enforced during the period of ECQ from March 17, 2020 until April 12, 2020. As more establishments are operating under the general community quarantine and various social distancing measures are being imposed, the city-wide curfew was adjusted from 10:00 PM to 5:00 AM under Ordinance No. 783, S-2020;

WHEREAS, under Ordinance No. 782, S-2020 or the Localized Community Quarantine Ordinance, the Punong Barangays are empowered to establish curfew hours as deemed necessary under the circumstances in their respective jurisdictions during a barangay lockdown imposed by the City Mayor, as concurred by the Regional Inter-Agency Task Force;

WHEREAS, on July 22, 2020, Ordinance No. 789, S-2020 was enacted and approved by the Local Chief Executive on even date. It amends Section 1 of Ordinance No. 783, S-2020;

WHEREAS, on August 2, 2020, the Department of Health reported 5,032 new cases of COVID-19, which is a record high single-day count, bringing the country's total cases to 103,185;

WHEREAS, as the country's health care system overwhelmed by the number of COVID-19 infections, the medical frontliners called on the government to impose the stricter enhanced community quarantine;

WHEREAS, heeding to the call of the medical community, President Rodrigo Roa Duterte reverted the National Capital Region and nearby provinces under Modified Enhanced Community Quarantine (MECQ) from August 4 to 18, 2020 to arrest the continuous surge of COVID-19 cases;

WHEREAS, there is also a need for the City Government of Mandaluyong to reassess and evaluate all efforts and programs to combat COVID-19;

WHEREAS, a restriction on the movement of people during the period of the ECQ and MECQ, along with the observance of minimum health standards, mandatory wearing of face mask or coverings and other social distancing measures, will help the National Government in preventing further spread of the virus;

WHEREAS, it is the intention that the longer city-wide curfew shall be of temporary nature being effective only while the City is under an ECQ and MECQ, and will automatically revert to 10:00 PM to 5:00 AM curfew upon transition to a general community quarantine.
